Directive (EU) 2011/65 of the European Parliament and of the Council on the restriction of the use of certain hazardous substances (RoHS) in electrical and electronic equipment (EEE)

Dear valued Supplier,

We request your assistance to assure compliance with Directive (EU) 2011/65, commonly known as RoHS 2 Directive, restricting the use of hazardous substances in electrical and electronic equipment (EEE) to protect the environment and public health. The substances restricted include lead, mercury, cadmium, hexavalent chromium, and two groups of brominated flame retardants (PBB and PBDE).

All details are available on the internet page of the European Union:

<https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX%3A02011L0065-20250101>

We ask you as a supplier to a company of the CLAAS Group* to declare that the products and articles you supply to us comply with Directive (EU) 2011/65.

Please declare by returning a completed page 2.

Thank you in advance for your cooperation.

Kind regards,

Natascha Gentsch
Vice President Purchasing Performance
